

Dawit Kahesai

What a smart young man!

Born: August 3, 1995

Addis Ababa, Ethiopia

Dawit is a very smart young man. His native language is Amharic. He loves going to school and his favorite subject is English. He is in the 6th grade. Soccer is his favorite activity as most boys his age. His favorite color is white.

Dawit believes that Jesus Christ is his Lord and Savior. He attends all of the activities and Sunday school classes at Addis Kidan Church.

The family:

- Dawit has one older brother and 3 older sisters. His father died a long time ago due to a liver problem. His mother is alive but none of them have been tested for the HIV virus. We encouraged her to get tested and to have all of the children tested.
- Dawit's mom is not a believer yet and does not attend Addis Kidan Church. By your sponsorship it will open the door for her as the volunteers at Addis Kidan Church reach out to her through the Good Samaritan Program.
- His mother works doing daily labor (digging ditches, moving heavy rocks, etc. It is very hard work). It makes Dawit very sad to see his mother have to work so hard. She makes 300 birr a month. Rent is 150 birr a month for a small mud and straw home with a tin roof.
