Lemlem is a sweet young girl. Her native language is Amharic. She loves school and is in the 2<sup>nd</sup> grade. Her favorite subject is English. Lemlem loves the color yellow and her favorite activity is playing soccer, like most of the kids her age.

Lemlem is a believer and attends all of the church activities and Sunday school at Addis Kidan Church.

**The family:**

- Lemlem has no siblings. Her father has left the family and lives in the countryside. Her mother does not have the HIV virus. Praise God, Lemlem is negative also. Her father has never been tested for the virus and does not communicate with the family.
- Her mother attends the Friday Good Samaritan Program at Addis Kidan Church and she is not a believer yet, but she is close. By your sponsorship it will open the door for her and the volunteers at Addis Kidan Church to reach out to her through the Good Samaritan Program.
- Lemlem's mother is a cook and does laundry. She works long days. She earns about 350 birr a month. Their rent is 100 birr a month for a small mud and straw home with a tin roof.
