

# Mihret Bekele

---

**A beautiful young lady!**

**She has never celebrated her Birthday and doesn't know when she was born.**

## **Addis Ababa, Ethiopia**

Mihret is a beautiful young lady! Her native language is Amharic. She is in the fourth grade and her favorite subject is Science. Her favorite color is yellow. She loves playing volleyball and is very good at it.

Mihret is not a believer yet, but she hangs out at the church and is very interested in what is going on at the church. She does attend Sunday school at Addis Kidan Church. By your sponsorship it will open the door for her as the volunteers at Addis Kidan Church reach out to her through the Good Samaritan Program.

## **The family:**

- Mihert has no siblings. Her father lives in the countryside. He works in the coffee fields and comes to visit her once a year. She lives with some of his relatives, so she can go to school. Her Mother has passed away. We do not know if it was from the HIV virus. Mihert has never been tested for the virus. We encouraged her to get tested.
