

Yohanes Demelash

A very smart little boy!

Born: May 10, 2002

Addis Ababa, Ethiopia

Yohanes is a very smart little boy. His native language is Amharic. He loves going to school and is in the 2nd grade. His favorite subject is studying the Amharic language. Soccer is his favorite activity as most boys his age. His favorite color is red.

Yohanes believes that Jesus Christ is his Lord and Savior. He attends all of the activities and Sunday school classes at Addis Kidan Church.

The family:

- Yohanes has no siblings. Both of his parents are in good health and so is Yohanes. They have not been tested for the HIV virus.
- Yohanes' mom is a believer and attends Friday Good Samaritan Program at the Addis Kidan Church.
- Both of his parents work doing daily labor (digging ditches, moving heavy rocks, etc. It is very hard work). It makes Yohanes very sad to see his parents have to work so hard. Together they make 700 birr a month. Rent is 200 birr a month for a stucco walls and cement floor for a home with a tin roof.
